

Halloween EVE

JANINE GODBE has worn many masks in her life. Abused daughter, fugitive from the law, convicted murderer, federal prisoner... But none of those masks ever fit. Recently, when demons from Limbo attacked New York City, Janine was given a bag full of magical Halloween masks, each with powers and attributes that Janine could use when she wore them. These masks turned her into the haunting...

Hallow's Eve

During a bank robbery gone wrong, Hallow's Eve accidentally transformed security guard SIMON CARTER into a werewolf. Frightened and confused, Simon ran off, starting a race to find the wayward werewolf between Hallow's Eve, the police, and the BEYOND CORPORATION, led by MAXINE DANGER. Beyond was the first to reach Simon, but with the help of MARCUS MOMPLAISIR, Janine was able to track them to the Beyond headquarters. While she managed to find Simon, their escape was cut short by Maxine having captured and holding Marcus hostage.
